The first step in the art of friendship is to be a friend . . . To be a friend, a man should join hands with all people who are working for great principles, great purposes and great causes; he should put his shoulder to the wheel to help achieve common goals.

To be a friend a man should be sensitively responsive to the dreams and aims of others and should show sincere appreciation for the contributions others make to the enrichment of his life.

To be a friend a man should be tolerant, he should have an understanding heart and a forgiving nature, knowing that all men stumble now and then, and that he who never made a mistake never accomplished anything. . . .

Joan,
I'm glad I
met you this year,
I'll see you next
year and maybe
at a wedding.
Be good and have
a fun summer.

Love Donna

To be a friend a man should
close his eyes to the faults of
others and open them to his own.

*To be a friend a man should strive to be like the shadow
of a great rock in a weary land; to be a source of refuge and
strength to those who walk in darkness*

from -
I want to
wish you luck
best of your always.

To be a friend, a man should remember that we are human magnets that like attracts like and that we give what we get

To be a friend a man should strive to lift people up, not cast them down; to encourage, not discourage; to set an example that will be an inspiration to others.

*To be a friend a man should recognize that no
man knows all the answers and that he should add
each day to his knowledge of how to live the
friendly way*

the art of living
by wilfred a. peterson

In choosing an individual most deserving of this distinguished award, we should find a fine and vivid example of a man whose unseen efforts and unselfish devotion have promoted him among students and faculty as well.

Serving as yearbook advisor and art teacher he has not only established himself as a social inspiration, but more important he has created while inspiring creation.

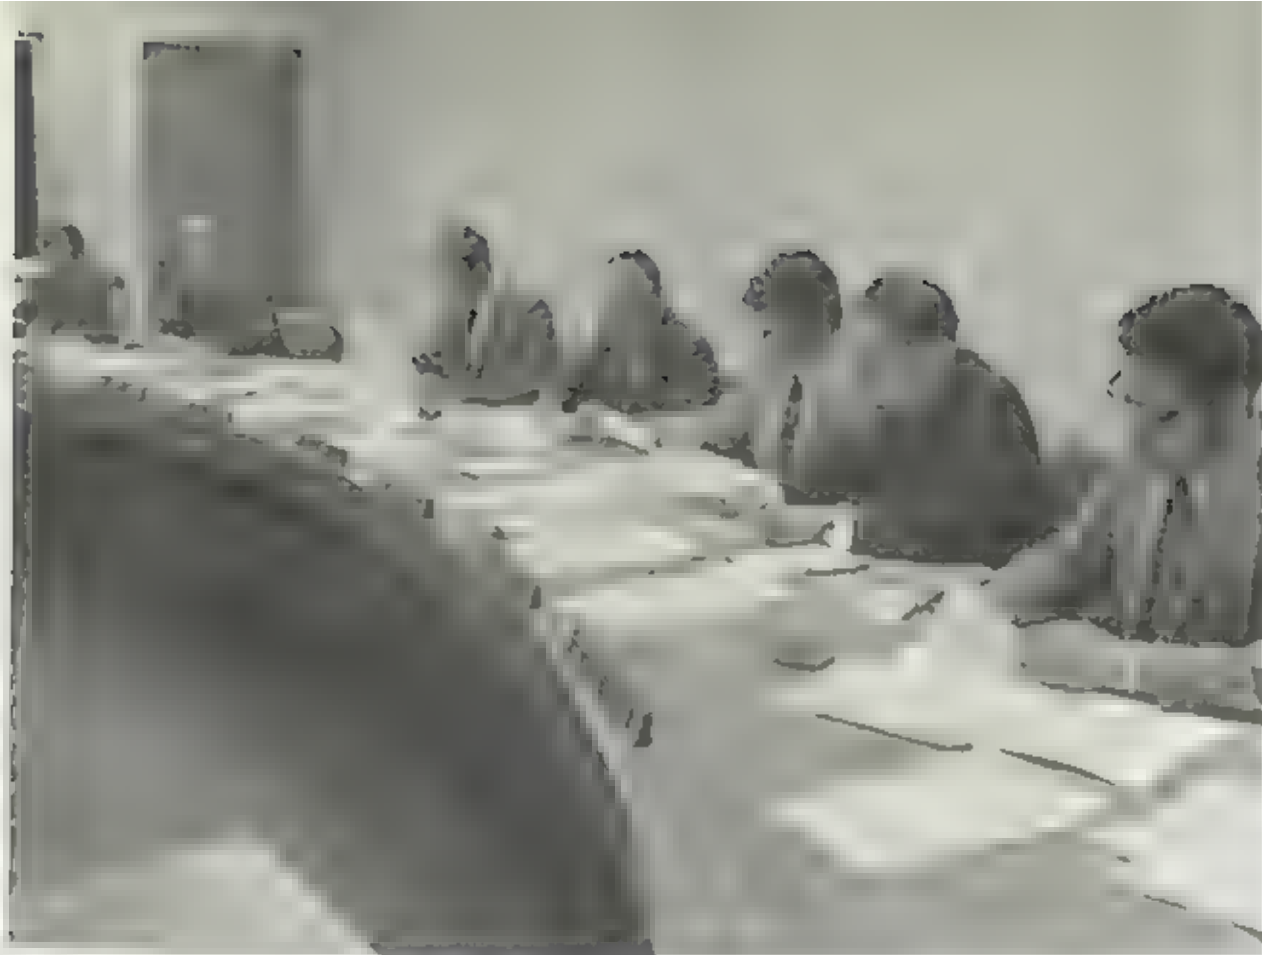

We, the staff feel privileged to dedicate the 1969-70 Delian Yearbook to Mr. R. Gordon Chapman.

After he has looked at the facts with his
head he lets his heart take a look, too.

Action Reaction

"Love is not easy, it is not soft, it is not sentimental. It is to listen. It is to be open. It is to act, but always upon fully reasoned conviction. It is to give oneself, not once, but over and over again."

cupid's thing

The queen and her court: Vera Williams, Pat Higgins, Wanda Nelson

The 1969-70 school year was my first at Piedmont Hills. I have met many people and have made many new friends. My work with the B.S.U., the publicity for "Cupid's Thang," and my nomination for Sweetheart Queen aided me in meeting new students.

My most rewarding experiences at Piedmont have come through my involvement with the B.S.U. It is a most gratifying feeling to know you have opened new doors to others.

OUR SUCCESSFUL TEAMS

Success is discovering your best talents, skills and abilities, and applying them where they will make the most effective contribution to your fellow man.

"It doesn't matter if you win or lose, it's how you play the game."

The promising fall sports teams, including football, C and D basketball, water polo and cross country end fabulous '69-'70 seasons.

As Varsity Football season continues, the offense improves greatly to combine with a strong defense in smashing almost every opponent in the league.

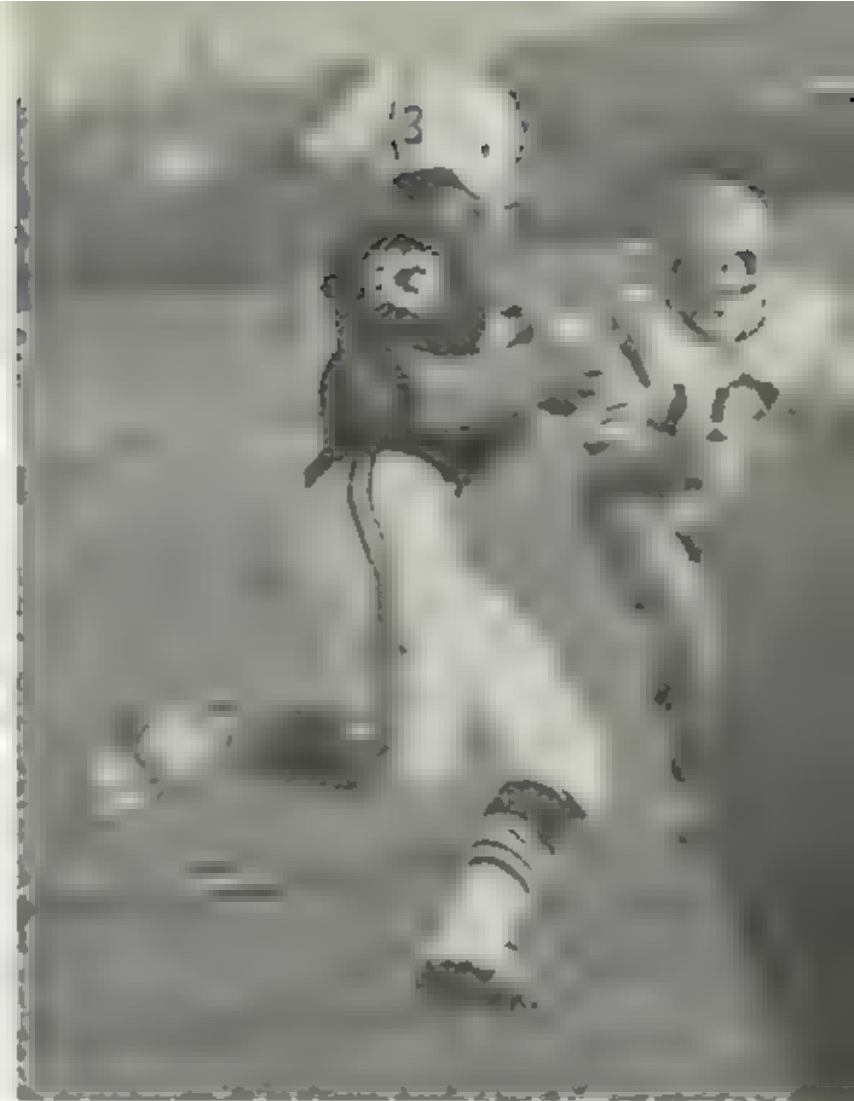

After two years of cinching the runner-up spot, both the C's and D's collect on championships. The D's end a fantastic season by clinching the crown in a title-deciding game against Overfelt. The C's proved they were the team to beat by taking the league from Mt. Pleasant and Ayer in two championship play-off games.

This year's water polo team showed great desire, but lacked scoring ability. Through this desire, they improved steadily during the entire season.

The cross country team was highlighted again by the outstanding running of Jack Bush. After a great season last year, Jack continues to improve by breaking a number of records.

Given a little attention in pre-season selections and performing in lack-luster fashion during the non-league games, the Piedmont Hills Varsity Basketball team went to work in league play. They became a cohesive, fast-breaking quintet who brought the second Mt. Hamilton League Championship in three years home to the Pirates' Den.

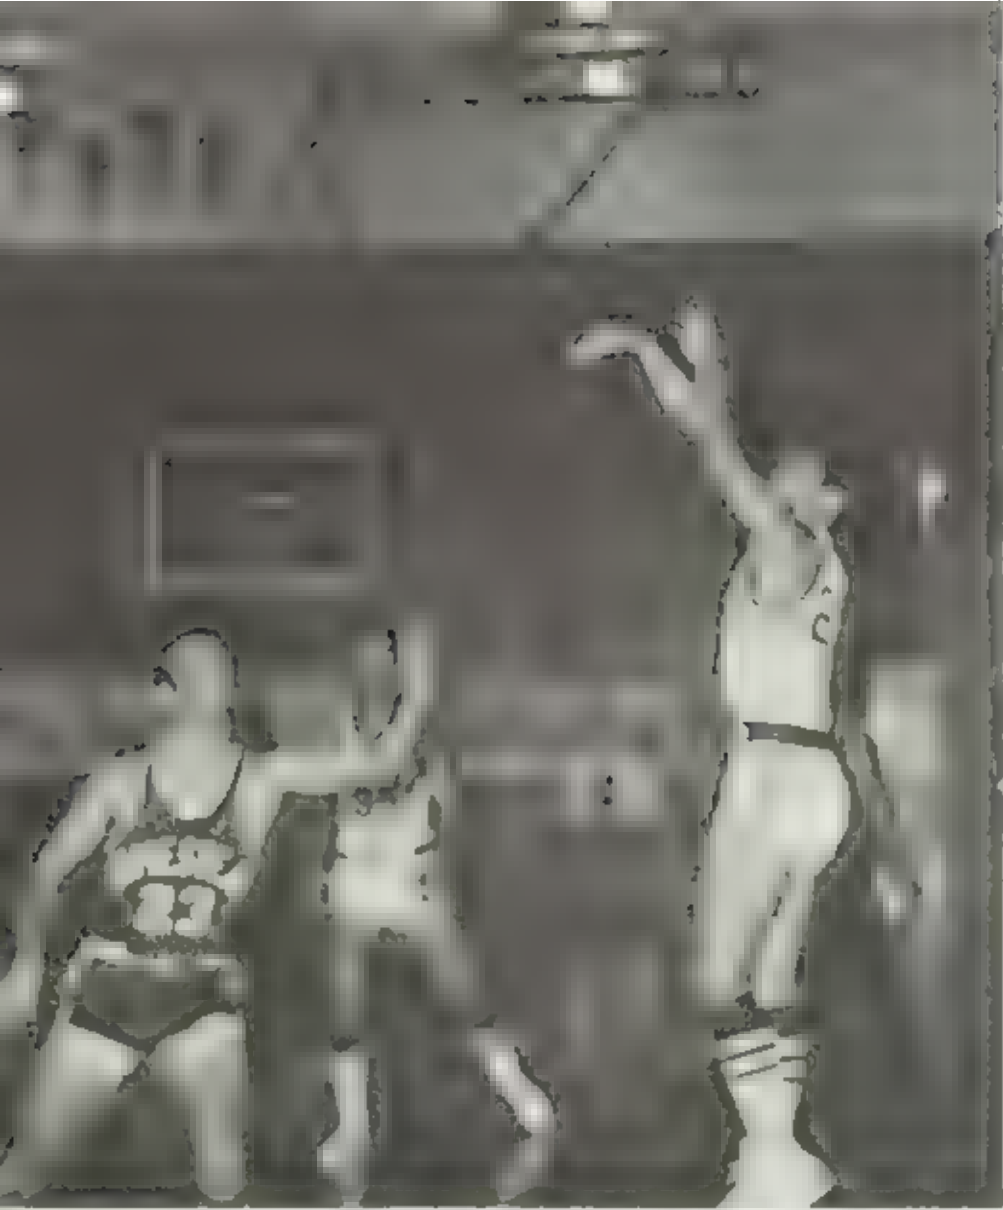

The Bucs captured the MHAL crown with an aggressive defense led by All League Guard Tom Gallo, Forward Tom House, and veteran back courtier John Staley. Additionally, the rugged rebounding of Ken Rigmaiden, the sparkling late-season play of Spencer Adams and the steady bench strength provided by Mike Bitcon and Jeff Itatani enabled Piedmont Hills to place second in the Central Coast Section Region III Finals.

Head Coach Norm Friborg calls this year's team "the most rewarding and hardest working group of players I've coached in ten years." Although the Pirates lost the Regional Finals game to Leigh High School, the players' tremendous desire and effort very nearly pulled off one of the major upsets in Santa Clara Valley prep history.

PHYSICAL EDUCATION AWARD

The Department of Men's and Women's Physical Education Department at Piedmont Hills High School was recognized this year as, "the most outstanding in the Santa Clara Valley," by the California Association of Health, Physical Education and Recognition.

The award was presented on the basis of the quality of instruction, the high level of physical fitness attained by the students, and the excellent co-operation and spirit that prevails between the men's and women's departments.

The award is in recognition not only of the teachers and program of physical education but also for the outstanding part of the students and their hard work throughout the history of Piedmont Hills High School.

The Senior keeps his eyes on high goals. He strives to make the efforts of his followers and himself contribute to the enrichment of personality, the achievement of more abundant living for all and the improvement of civilization.
